## About This Game

Alyssa L'Salle was one of the top secret agents at the Agency of Peace & Intelligence on the Planet Araenu. But when she uncovers a horrible conspiracy, she has to go rogue in order to save the day! Can Alyssa save the galaxy when everyone (and everything) is out to stop her!

### Features:

- The best of classic and modern RPGs!
- Brisk pacing that respects your time! Save anywhere!
- No separate battle screen! Battles take place directly in the areas that you explore!
- 2D visual style straight from the height of gaming's 16-bit era!
- Animated cutscenes reminiscent of the Sega CD & Turbo Duo era!
- Soundtrack by HyperDuck SoundWorks (Dust: An Elysian Tail, Precipice of Darkness 4)!
- Over 100 minutes of music!

- 
- Multi-character combo techniques!
  - Innovative turn-based combat system that focuses on flow & strategy!
  - Your own spaceship! Recruit new agents to help your home base grow!
